

FEED BACK FORM FOR GNFC NEEM NITE

(HERBAL MOSQUITO REPELLENT)

A sample of Gujarat Narmada Neem Nite is given to you for trial and your valuable, frank feedback about its mosquito repelling effectiveness. This Neem Nite is manufactured by using mainly Neem extract and other essential oils.

Direction for use :

Remove the cap and insert Neem Nite liquid bottle into the Electronic vaporizer machine. Plug in machine and switch it on. After switching machine on, keep room closed for 30 minutes for sufficient vaporisation. Thereafter, open internal door of the room to allow mosquito to escape. For long term mosquito repellence, keep on using this product regularly for consecutive 15 nights.

Sr. No.	Parameter	Response		
		Excellent	Moderate	Poor
1	Fragrance
